

Proudly serving La Salle Academy

August 2010

Dear Parents of La Salle Academy Students,

Maschio's Food Services will again be providing the food service program to your school this year. The meal price this year is \$3.00 for lunch. We hope that while your child is a student here, he/she will find the Food Service Program full of enjoyable and healthy choices to help him/her in learning and growing. We will begin by selling Snacks & Beverages on August 31st. On Sept 1st we will begin the full lunch program.

The Food Service Program offers lunch daily. Choices of entrees are available each day, including both hot and cold selections as well as vegetarian selections. There are also vegetable choices, including fresh choices everyday and a variety of fruits including fresh fruits and juices to choose from. The milk in your district is free from growth hormones and is offered in several different flavors. A wide variety of a la carte items are also available for sale including fresh fruit, soft pretzels, crackers, low fat ice cream, fresh baked cookies, chips and water. Please see the attached menu for your school.

We are proud of the quality Food Service Program we will be offering at La Salle Academy, and we will do our best to keep our customers happy and well fed. If you have any questions about the Food Service Program at your child's school, please call school cafeteria at 610-777-7392.
