

# Super Savers Tuition Program

## What is SuperSavers?

- Super Savers is a tuition reimbursement program that helps raise money for LaSalle Academy and benefit families by providing tuition credits.

## What are they?

- Grocery store gift cards that you use just like cash at the checkout.

## How do I get them?

- Complete the order form below, enclose your check payable to LaSalle SuperSaver and return to school with your child.
- The school office will be filling the orders, so they should be able to be sent home with your child the same day or you may pick up at the office.
- If placing a large order, please allow extra time to receive. If you anticipate a large order, please call in advance to ensure inventory.
- SuperSavers are also sold after the Sunday Masses at St. John's. Please note, tuition credit cannot be given for SuperSavers sold after the Sunday Masses since we are not able to track the individual sales. The PTO receives 100% of all profits for cards sold.

## What is the benefit to me?

- For every \$50.00 purchased in gift cards, the PTO will give you a \$1.50 credit voucher towards tuition payments for the following school year. LaSalle also earns 2% of the total school sales. The deadline for purchases to credit your 2010-2011 tuition will be in May 2011. You will receive a notice of your credit earned in the weeks following the deadline.

## Who should I contact for more information?

- If you have any questions, please call Mrs. Kellie DeMers at 610-750-6967.

## How can I help?

- We are always looking for new faces to help out with the Sunday masses. If you are able to spare a few minutes after Mass, please let us know.
